

I

Feel

Something

I feel something

Inside me

My soul, my heart

My all

My life

I

Am someone

I think, I feel

I exist

Thankful

All that I am

All that I was

All that I will be

I am thankful

Because i can't not be

All that I felt, all that I've seen

All that I've loved, fleeting as it is

The girl that I liked, all that she could be

It all helped me grow, someone new to be

The past is left behind, feelings lost in time

Today I'm someone new, this future all is mine.

Then again

lit all just roots

In the feeling of being lost,

And found in someone new
